

REMARKS

Recommendation for Restriction:

For the Patent Office's reference, this preliminary amendment cancels other claims directed to other inventions that would otherwise be subject to restriction – i.e., claims 1-5, 9-14, 17-26 and 37 directed to other inventions.

As for the remaining claims, there are now 3 sets of inventions. It is recommended that the Patent Office issue a restriction between the following claim sets: **1)** Method claims 6-8 and 15-16; **2)** Claims 27-33 related to Mirror Display Component Claims; and **3)** Claims 34-36 related to Specially Sized/Dimensioned Mirrored Mint Container Claims.

Response to Notice to File Missing Parts:

A Response to Notice to File Missing Parts of Application is being filed concurrently herewith.

Conclusion

It is not believed that a fee is required for filing of this paper. However, the Commissioner is hereby authorized to charge any fee deficiency or credit any fee payment to Deposit Account 50-4080.

Respectfully submitted,

/Stephen B. Parker Reg. 36,631/
